SITE PLAN REQUIREMENTS

SITE PLAN ATTACHED WITH THIS APPLICATION (check for attached site plan prepared as specified below) New construction single family residential, multiple family residential, civic, commercial, and industrial projects should provide architectural drawings, property survey or plot plan along with the application. Smaller project site plans should include:

- Draw the lot showing lot measurements. Lot measurements may be obtained from the O'Brien County Assessor's website Note: Curb line is NOT the front property line. Where a sidewalk exists, the front property line is typically the inside edge of the sidewalk.
- Show all existing and proposed new buildings or structures with dimensions of all new building or structures
- Show the distance between all existing and proposed buildings and the nearest lot or property lines

Sheldon Zoning Permit - Site Plan

Applicant:	
Address:	

Please Submit below a sketch plan showing the actual shape and dimensions of the lot on which the construction will take place

- 1. Show streets, with street names, if any on proper sides of the lot or parcel
- 2. Show property lines and dimensions of the lot or parcel
- 3. Show locations of any existing and proposed new structures, and their distances from the lot lines
- Show locations of any existing and proposed accessory buildings (if any), and their distances from the main building and lot lines
- 5. Show locations of utility and other permanent easements
- Show details of fences, shrubs, walls or other devices used for screening (if applicable)
- Beacon (schneidercorp.com) is an excellent source for information and usually has a good map available.
